ANDECHSER SCHUL-BOOGIE

based on a traditional melody
lyrics & comp: H. Schüssel

A

Wir gehn zur Schul' am Heil'gen Berg, das Schulhaus, das ist
blau. Wir spieln gern Orffi-sches Schulwerk, denn
Musik macht bekanntlich schlau. Wir machen Mu-si, die
leibt und lebt, bis dass das Kloster beb't, und der
Orff schallt durch das ganze Dorf! Wir machen Dorf!

"Elementary music, word and motion, playing [and I would like to complete: drawing and painting, writing, building activities, performing dramas...] - everything that awakes and develops soul's power, form the humus of soul. Without this humus we are going to meet soul's desertification."

Carl Orff
