MUSICANTO - CENTRO PER LA RICERCA E LA DIDATTICA MUSICALE

'MUSICANTO - Centro per la Ricerca e la Didattica Musicale' is an association born in Piosasco in 1994. It became a promoter of OSI (Orff-Schulwerk Italy) in 2001 thanks to the cooperation of the Artistic Director Alberto Conrado of Orff courses held in Assisi and co-ordinated by the master Giovanni Piazza since 1993. With the will of the municipal administration of Piosasco, in the same year, the 'Scuola Civica Musicale Carl Orff' was founded under the authorization of Carl Orff - Stiftung of Dießen am Ammersee. Nowadays not only does this centre have over 400 internal students, but it also involves about 500 teens of different schools located all over the region as well as several highly qualified teachers. We offer a range of almost 20 courses and maximum priority is given to 'musica d'insieme', intended for all ages, but mostly for children younger than 12. The our centre has been a school affiliate of Orff-Schulwerk Forum of Salzburg since 2012.
