

French Orff Association

Year founded

2001

Current number of members

70

Aims and goals

In the tradition of Carl ORFF and of the "Orff-Schulwerk" approach, the goals of the association are training, research and extension of hands-on music education, specialised music education and music therapy.

Key activities

"Orff-Schulwerk" Approach training ; music therapy training ; production of an "Orff-Schulwerk" Approach documentary film ; joint projects with the Cité de la Musique in Paris ; public lectures ; text and music media releases.

Overview of the structure of the organisation

The association is headed by a president, who is in turn assisted by a board of directors ; members are either active if they promote the life of the association or users if they participate in activities.
