

FOSiTS

- Föreningen Orff-Schulwerk i Tensta Sverige

FOSiTS was founded in 1997 with the intent of applying the Orff philosophy and his ideas in professional education of children. The keywords to achieve those goals are

**JOY LEARNING PROCESS
FELLOWSHIP
FUTURE**

We are currently 67 members of which 8 are board members. Each January and September members meet at the two annual kick off meetings. We also attend weekend courses in May and November with other international teachers from Germany, Iceland, Finland and the United states.
