

Iran

ایران

Introduction

In 2011, Adamak was founded by a group of Iranian musicians graduated from the Carl Orff Institute of Mozarteum University. Since 2015, Adamak has been working as the official Iranian Orff-Schulwerk Association.

Objectives:

- Develop the general knowledge of music education in Iran with focus on Orff-Schulwerk approach
 - Include Iranian cultural elements in Orff-Schulwerk approach
 - Provide a suitable environment to bring teachers' skills up to date
- Provide a platform for music educators to exchange ideas and share experiences

Activities:

- Provide audio-visual resources
- Publish, translate, and compile books and essays on music education
- Counsel schools, institutions, and individuals about Orff-Schulwerk
- Hold specially designed workshops and seminars in different cities of Iran
